

## Public Notice - Beware of Fraudulent Activities

It has come to our notice that certain individuals and/or agencies are falsely claiming association with **IMC Limited** and demanding money from the public for various business opportunities.

We wish to clearly state that **IMC Limited does not authorize any third party or individual to collect money on its behalf** for any kind of business opportunity outside our officially defined process.

It is further stated that:

- IMC Limited does **not** appoint agents to collect franchise or investment amounts directly.
- All official communications are made only through our authorized channels/official e-mails.
- We urge the public **not to make any payments** to unknown persons, third parties, or unauthorized entities claiming association with IMC Limited.

If you receive any suspicious communication, calls, emails, or messages offering business opportunities in our name, please **do not engage** and report the same immediately to our official office.

Such fraudulent activities are illegal and unauthorized. **IMC Limited will not be responsible for any financial loss** arising due to dealings with such fake individuals or agencies.
